## Dine to Donate

- Host a fundraiser on behalf of the TAA where a percentage of the proceeds are donated back to the TAA!

## In-Store Fundraiser

- Reach out to local businesses that may be interested in hosting fundraising events in their stores. They can donate a percentage of sales back to the TAA.

## Event Sponsorship

- When you host or participate in an event, please remember most local businesses would love the opportunity to give back to charitable organizations. Sponsoring an event also gives the local businesses extra exposure; do not be afraid to ask! You will find that most will go above and beyond in helping you in your efforts.
