Essay Form

Please write a 300-word essay describing yourself, your experience with Tourette Syndrome (i.e., how TS has affected you), the institution you plan to attend, your major and career aspirations, and your initial plan (which can be modified later) to increase awareness and understanding of Tourette Syndrome. Examples for increasing awareness might include something using social media, a student or local newspaper, presentation to a local group (student, staff, faculty, civic or community club), or class project.
